

## CART HANDLE INSTALLATION INSTRUCTIONS

**PLEASE REVIEW INSTRUCTIONS BEFORE INSTALLATION**

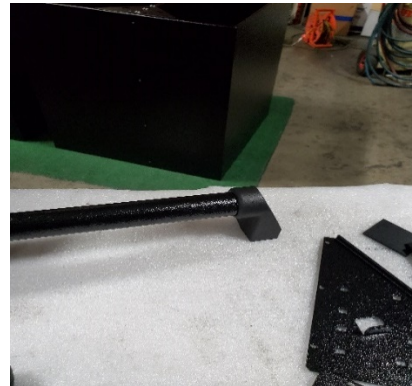

**What is included:**

- Handle (1) piece
- Stanchion (2) pieces
- Nut (2) pieces
- Bolts (2) pieces
- Lock Washer (2) pieces
- Washer (2) pieces

**Tools Required**

- 1/2' socket and driver or 1/2' wrench

1. Remove handle parts from the packaging, attach the 2-stanchion pieces and press on each end as shown in image below

2. Using the 3/8" x 16 bolt and insert it through the stanchion as shown in the image below.

3. Insert Bolts of the handle assembly through the holes on the same side of cart that the swivel casters are on. Attach hardware using a ½" socket or wrench and tighten as shown below.
